Microfleece inside

The soft microfleece inside increases the feel-good factor, especially in winter.

Robust and resistant

Knitted fleece allows frequent washing without wrinkling or deforming, making them very easy to care for.

Contrast zipper

The colored zipper adds a nice accent and provides extra visibility.

Good heat retention capacity in winter

Body heat is not lost so quickly, but remains under the meshes like a natural heater.

Quick-drying and breathable

Moisture is transported away from the body to the outside and hardly allows any water to penetrate.

Fleece jacket

Pleasantly warm knitted fleece men's jacket. Quick-drying and breathable. Very good heat retention, microfleece inner. A contrasting zip adds colourful accents. Colour: Dark grey melange. Material 100% polyester.

Fashion

Winter comfort

The high collar offers protection from the cold even when the temperatures are low.

Weatherproof and optimal body climate

The softshell fabric protects against wind and keeps light rain out. In addition, the quilted padding at the front and back ensure a long-lasting warm feeling.

Discreet details

The hidden details such as the two-colour print on the back or on the cuff hem give the jacket a sporty look.

Flexible wearing comfort

The rubberised cuffs and the elasticated hem offer individual wearing comfort.

Women's knitted fleece jacket
